

## Audiology Professional Services Log

### CPT codes

#### **Audiology Services (for Audiologists only)**

- 92552** – Pure tone audiometry, air
- 92553** – Audiometry, air & bone
- 92555** – Speech threshold audiometry
- 92556** – Speech audiometry, complete
- 92557** – Comprehensive hearing test
- 92567** – Tympanometry
- 92568** – Acoustic reflex threshold test
- 92569** – ~~Acoustic reflex decay test~~ – Discontinued for dates of service on or after 01/01/2010
- 92570** – Acoustic immittance testing, includes tympanometry (impedance testing), acoustic reflex threshold testing, and acoustic reflex decay testing
- 92579** – Visual audiometry (vra)
- 92582** – Conditioning play audiometry
- 92587-26** – Evoked otoacoustic emissions; limited (single stimulus level, either transient or distortion products), professional component
- 92587-TC** – Evoked otoacoustic emissions; limited (single stimulus level, either transient or distortion products), technical component
- 92588-26** – Comprehensive or diagnostic evaluation (comparison of transient and/or distortion product otoacoustic emissions at multiple levels and frequencies), professional component
- 92588-TC** – Comprehensive or diagnostic evaluation (comparison of transient and/or distortion product otoacoustic emissions at multiple levels and frequencies), technical component
- 92620** – Auditory function 60 min.
- 92621** – Auditory function + 15 min.
